

2017 SUMMER WORKSHOP

---

# Ditch Your Device, Feed Your Soul

We have come to count on our “devices” to keep us informed, connect with friends, send messages and bring us the latest news.

It’s all too much, all the time, 24/7.

Ditch your device for a summer evening.

Taste and see, awaken your senses by walking the labyrinth, creating art, mindfulness, breathing, discerning your gifts, examining your dreams as “unopened letters from God,” and more.

Dwell in the word with us as we prayerfully listen to the Holy Spirit within and begin to let go.

6 p.m on Wednesday, July 26  
at Grace Episcopal Church in Madison  
(4 Madison Ave.)

There is \$10 per person fee for those who register by July 19 at [dioceseofnewark.org/event/workshop-ditch-your-device](http://dioceseofnewark.org/event/workshop-ditch-your-device)

After July 19 the fee is \$15.

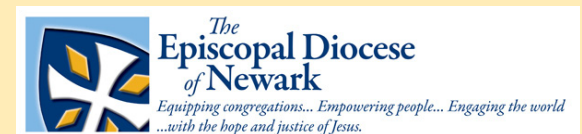

The fee covers the cost of a light dinner.

The 2017 Summer Workshop is presented by the Empowering Action Team of your Diocesan Council. A detailed listing of workshops will be available soon.

For further information please email Sue Morgan at [sue.morgan1066@gmail.com](mailto:sue.morgan1066@gmail.com) or call her at (917) 517-4024.
