Housing. Hope. Hospitality.

Life at the Lighthouse

We are a home and a community - not a shelter or a rooming house. We provide deep and broad support to individuals and families as they continue their journey to independence.

Our Mission

Since 2017, The Lighthouse has been a safe haven for asylum seekers from all over the world. We provide much needed housing, hospitality, and community to individuals and families forced to flee their home countries due to violence and persecution.

Our guests enjoy:

- Food, clothing & supplies
- English classes
- Support from a licensed social worker
- Assistance with obtaining NJ State ID, social service benefits, & bank accounts
- Laptops & computer instruction
- Social, emotional, & spiritual support
- Cultural field trips & celebrations

Be a part of our story

As a grassroots ministry of the Episcopal Church, The Lighthouse depends on donations from individuals, places of worship, and nonprofit organizations. This transformational work is made possible through the support of people who believe that everyone deserves a seat at the world's table.

All gifts are tax deductible.
