High School Retreat

Gender & How We Are Who We Are

May 1-3, 2015

at Cross Roads Outdoor Ministries
29 Pleasant Grove Rd., Port Murray, NJ

What role does gender play in your life and your friends'? In what ways are sexuality, gender expression and identity thought of differently *now* in comparison to when your parents grew up? How do these things affect teens' spiritual and emotional health?

During this weekend getaway 9-12 graders will examine these topics and help each other develop healthier perspectives about them.

They'll also have fun and create lasting memories and friendships!
