

# Living the Way of Love

A day of reflection and discernment

*Jesus said, "you shall love the Lord your God with all your heart, and with all your soul, and with all your mind, and with all your strength." The second is this, "You shall love your neighbor as yourself." There is no other commandment greater than these."*

— Mark 12:30-31

**A**s the Episcopal branch of the Jesus Movement, we follow the Way of Jesus. His way is the Way of Love, and that love has the power to change lives and change the world.

The purpose of this workshop is to build trusting relationships with God and with one another. When we meet each other for conversation, practice, and prayer, we learn how to love. A small group provides space for prayerful support and accountability as we seek to live the Jesus Way.

On April 28, 2019, as we gather together at Community of St. John Baptist in St. Marguerite's House, participants will rotate to different locations at the site as we explore **The Way of Love: Practices for Jesus-Centered Life.**
