- Excellent interpersonal skills.
- Excellent planning, organizational, and negotiation strengths.
- Excellent communication in written and verbal skills.
- Ability to lead, reach consensus, establish goals and attain results.
- Dependable self-starter.
- Ability to perform detailed work under deadlines.

It is hope that I will be considered to serve in these committees so as to bring into play some of my experiences.

ACTSVIM

In the Lay Order:

Martha M. Anderson, St. John's, Ramsey (District 10)

Ballot Location

Outreach ministries at St. John's are a meaningful part of my personal stewardship; it is a privilege to award grants to outreach initiatives championed by diocesan churches in communities here and abroad. Our biggest challenge and frustration is fairly apportioning Alleluia Fund donations when needs far exceed available funds. It has turned each ACTS-VIM board member into an Alleluia Fund advocate; I welcome your support to serve a second term..

ACTSVIM

Robert F. Harwood, St. John's, Passaic (District 7)

Ballot Location

It would be my pleasure to serve the Diocese again. My most direct experience to this Board was as a member of the Outreach committee, when I served on Council. I have also served outside of the Diocese as board member of Restore Hope. This organization was a organization that helped other organizations meet funding sources, and audited organizations that received grants for compliance.

I have been a self employed information technology professional since 1975. I have worked on every continent except Antarctica. I have worked in many other industries, so as to be able to create solutions for them, or just to work in them. Now I am pretty much retired, as in if work came along I would not turn it away.

With available time, and various expertise, I am able to serve the Diocese as needed.

To be Elected: Class of 2021 - 1 Clergy/ 1 Lay (3 year terms)

In the Clergy Order:

This Election is Uncontested

The Rev Canon Matthew TL Corkern, Calvary, Summit (District 4)

Ballot Location

As a priest of seventeen years of ministry as well as a canon of the cathedral in Nashville, I have served in numerous elected and appointed offices over the years. I feel called to walk with our new Bishop and the Cathedral Chapter in Newark around many of the important issues facing the cathedral in the next years. It would be a privilege and extraordinary experience to serve as a member of the Cathedral Chapter. I also wonder as a retreat and pilgrimage leader how I might offer myself and certain skills to assist in marketing and serving our cathedral for the future.

CATHCHAP

Trustees of The Episcopal Fund & Diocesan Properties

To be Elected: Class of 2023 - 3 Members (5 year term)

Walton Clark, Atonement, Tenafly (District 9)

Ballot Location

I recently met with one of the Trustees of the Episcopal Fund and Diocese Properties to better understand the challenges and what skills the committee needs. While the Trustees manage the investment fund through advisers, he said the greatest challenge is in managing properties that are in various states of repair. While I have strong financial management skills and experience in managing endowment funds, I feel my greatest contribution can be in assisting with property issues. After being very involved at the church level I feel that I should be giving more of myself and get involved at the Diocesan level.

As a member of the Church of the Atonement I have served several terms as Warden and many years on the vestry plus I serve on the finance committee and I am in charge of buildings and grounds. I am also on the Board of the Center for Food Action and a past President. On the professional side I have worked for both large and small companies including being a Director of Marketing at Unilever managing a \$600 million business. I have experience with project management and have been involved in many building improvement and energy improvement projects. I have also worked with Ward Herbert Fund on several projects and understand the valuable role the fund plays in our diocese.

Geraldine Livengood, Christ Church, Newton (District 2)

Ballot Location

I seek your consideration for a position as a diocesan Trustee. I understand that the board of trustees has responsibility for administration of diocesan funds and properties as well as for administration of property and funds of diocesan mission churches.

My relevant experience includes service as a vestry member (2000-2002; 2008-2010) and warden (2002-2004) of St. Andrew and Holy Communion Church. I have served on the Commission on Ministry (2004-2010) and on the recent Search/Nominating Committee to elect our bishop. In addition, I have been a board member of Interweave, an interfaith and interspiritual learning center, for eight years (2008-2016), serving as board president for four years (2011-2015).

I have practiced law in New Jersey for 40 years, primarily in the fields of criminal and child welfare litigation.

The most significant quality that I would bring to the position is my great respect and love for the Episcopal Church, particularly as embodied in the Diocese of Newark. I am excited about the leadership of Bishop Hughes, and I am committed to service in support of that leadership. I would be honored to serve as a Trustee.
