

QUESTIONS FOR REFLECTION: LISTENING TO PEOPLE IN THE CONGREGATION

If you are utilizing the interview template, these questions might be helpful as you begin to discern what God is up to in the people of your congregation.

What words are being used across the interviews?

What images or metaphors are being used (ex: "our church is like a family")?

Are there specific events or moments mentioned?

Are there attitudes or values that keep being mentioned?

Where is the energy of the responses directed?
