

Session One: What does it mean to leave a Legacy?

Legacy is not only what we leave behind. It is the story our lives are telling—right now.

Scripture for Reflection

“Teach us to count our days that we may gain a wise heart.” – Psalm 90:12

Reflection

1. When you hear the word legacy, what comes to mind?
2. Who has shaped your life through their faith, generosity, or example?
3. What values or gifts have been passed on to you?
4. How is your life already shaping a legacy for others?

A Deeper Invitation

Legacy is an expression of gratitude, trust, and love lived over time.

What am I most grateful for right now?

How might that gratitude shape what I give?

A Gentle Next Step

Have a simple conversation this week—with a loved one or your church—about what matters most and how your life might bless others.
